

Churchill

Three-section carriage house
Steel garage doors

ASSA ABLOY

ASSA ABLOY Entrance Systems

The global leader in
door opening solutions

Authentic styling meets modern convenience

Key Benefits

Safety

When nothing but a true carriage house design will do, yet you still want the benefits of strength, durability and low maintenance, this is the door for you. With three sections instead of the usual four, ASSA ABLOY Churchill classic carriage house doors give you a more genuine look along with up-dated features like pinch protection, energy efficient options and the endurance of steel. It's the perfect marriage of timeless design and state-of-the-art performance.

- Seven classic carriage house designs
- Eleven solid color options and multiple two-tone paint combinations
- Three dual-directional woodgrain finishes offer a more realistic look
- Three insulation choices – single, double and triple layer construction
- A selection of window designs and decorative hardware complete the authentic look

Unique section design and hardware reduces the risk of serious hand and finger injuries.

CONSTRUCTION

Churchill CL3000

Churchill CL2000

Churchill CL1000

- Churchill CL3000: Triple Layer, 2" thick door, R-Value of 13.4*
