Innovating Minds is a multi-award-winning Social Enterprise and one of the UK's fastest growing social enterprises. Founded in 2016, the business has grown from strength to strength financially, customers and people, we work across the UK and recognised as a leading influencer and innovator in mental health and wellbeing.

2021 is a year growth across the board, with our most recent wins in training 250 people to deliver a programme that will help children impacted by domestic abuse and launching the national Clinical Supervision Hub. We are looking to strengthen our team and appoint a Sales Administrator.

"We offer a world where people with emotional and mental health needs are supported to achieve their aspirations"

We have also developed a leading online platform EduPod. This is a new way for mental health leads to plan, manage and evaluate their journey to creating happy and mentally healthy environments for the whole school community. EduPod is currently used in over 100 schools.

Due to our ongoing success Innovating Minds has grown significantly and therefore we are now looking to recruit a Sales Administrator to work closely with the Relationship Manager and the wider team to make the Innovating Minds Services a national success.
