

DELIVERY CONSULTANT: PERMANENT SERVICES

Role type: Permanent

Location: Birmingham/Work from home with occasional customer visits

Salary: Competitive

Role Overview

The core purpose of the role is to provide candidate resource activities to the permanent sales team.

The ideal candidate will have:

- previous experience working as a resourcer/researcher in recruitment or will have a minimum of 12 months working in a sales/recruitment/business resource administration
- impeccable interpersonal skills for candidate telephone and video calls
- thorough research capabilities and organisational skills.

Continued candidate care and retention is imperative for our future success and this person will be instrumental in attracting and identifying candidates for customers ensuring timely candidate representation and compliance at all times.

The fulfilment consultant will also play a key role in supporting data capture and enrichment of this data and thus contributing to a new best practice approach to all things data in order for the business to maximise on automating data as part of the business plan.

Lastly, our new team member will need to display a passion for resourcefulness and be keen to innovate in order to ensure the best go to market strategy. They will enjoy using social media platforms and other resource attraction techniques to broaden their own brand as representation of the business.
