

Hippo Manager and Clearent Partner to Enable Exam Room Checkouts & More!

SIGN UP TODAY AND GET A FREE CREDIT CARD MACHINE!

Save time and money.

- **Streamline your appointments.** Clearent offers wireless credit card machines that allow your clients to pay in the comfort of their exam room.
- **Run your business with one solution.** Clearent and Hippo Manager seamlessly communicate with each other so you don't need to re-enter your transaction data at the end of the day.
- **Accept payments in the field.** Easily process card payments for your mobile vet appointments with a Dejavoo Z9 mobile credit card machine.
- **Experience faster checkouts.** Clearent offers Quick Chip for EMV, which reduces chip card transaction times from 15 seconds to 2 seconds.
- **Store cards on file.** With Clearent, you can securely store cards on file for future payments.
- **Accept contactless payments.** Allow your clients to conveniently pay with their smartphones using Apple Pay, Samsung Pay, and Google Wallet.

Get the best price.

- **“Meet-or-beat” pricing guarantee.** Clearent is a direct processor, which means that you get the most competitive price without third-party fees.

Experience industry-leading service.

- **Responsive and friendly customer service.** Clearent's terminal support team is available 24/7 to answer your questions.
- **Get your money the very next business day.** Clearent offers the option to enroll in their Next Day Funding service. With an 11:00 p.m. Eastern cut-off time, you can fund payroll and inventory purchases as soon as the following business day.
- **Online, easy-to-read statements.** Clearent's transparent reporting breaks down every fee so you can see exactly how you're being charged.
