

## ENVIRONMENTAL POLICY STATEMENT

Inspectahire Instrument Company Ltd recognises that its activities have a range of actual or potential impacts on the environment and realises its responsibilities in addressing these. Thus, the company is committed to the continual improvement of environmental performance through the annual identification of challenging objectives and targets using an Environmental Management System, this policy is communicated to all employees.

*Inspectahire* applies several environmental principles to all its activities. We are committed to:

- Meeting or, where practicable, exceeding the requirements of all relevant legislation and regulations, and setting down our own demanding standards where none exist.
- Improving environmental performance, in areas including:
  - Management and minimisation of our paper waste
  - Management and minimisation of CO2 Footprint
  - Effective management of our consumption of non-renewable resources.
- Reviewing projects to, where appropriate, ensure implementation of means to minimise environmental impact and/or prevent pollution
- Providing appropriate information to users of our inspection services regarding potential environmental risks of their subsequent action
- Ensuring that any environmental consultancy or auditing conducted delivers the most appropriate recommendation to minimise actual or potential impacts of subsequent action
- Involving our staff fully in reviewing their work and the downstream implications in terms of environmental considerations
- Providing the resources to enable us to implement our Environmental Policy.
