

**You need to be here
for them.
We're still here
for you.**

**During the COVID –19 pandemic please remember,
Early Intervention is still free & here to help.**

**We're conducting evaluations and providing support through virtual meetings.
Our Infant/Toddler team is working remotely to serve children and families.**

Please call us at **610-344-4626 for general assistance.**

~

**If you have concerns about a child's development,
call **610-344-5948** and a Service Coordinator will be assigned to
follow up with the family.**

~

**If you are receiving Early Intervention services, please call your assigned
Service Coordinator with any questions or needs.**

**To slow the spread of the Coronavirus COVID-19 and follow guidance from the state,
face-to-face services are suspended at this time. Tele-intervention services have been
approved with guidance from the PA Office of Child Development and Early Learning.**
