### Childhood Services

The Sunshine Center provides a variety of developmental therapies to families in New Jersey via both direct requests for help and from referrals.

Our Services Include:

### Individual Sessions

- Occupational therapy
- Physical therapy
- Speech therapy
- Feeding therapy
- Behavioral Assessments (ABA)
- Counseling
- Life Skills

### Group Sessions

- Mommy & Me
- Social Skills
- Life Skills

Many of these services are available at the Sunshine Center or in the home, based on the individual needs of the child and family. In addition, some services may be most appropriate within community settings, which is another option provided by this unique program.

### A Sunnier Future for Families

Sunny Days Sunshine Center, Inc. is dedicated to providing quality therapy services to children experiencing challenges with learning and development. Our family-centered approach to therapeutic intervention involves you in every step of your child's developmental program. The Sunshine Center's highly trained and specialized therapists are child development experts. However, no one knows your child and his or her needs as well as you do. We work closely with each family to promote their child's development to the absolute fullest potential.

### We Shine Brighter

### Lighting the Way for Child Development

The Sunshine Center offers children and their families a haven for developmental services and Autism Spectrum Disorder Therapy. A one-of-a-kind center designed to promote positive behavior, increase quality of life, and enable individuality, the Sunshine Center embraces each child and their individual needs. The Sunshine Center is dedicated to children up to the age of 18 who may be experiencing challenges with learning, social skills, sensory processing, or motor development. We are able to provide a comprehensive and collaborative approach that allows for individual and group therapy sessions, community-based activities and home therapy sessions that truly address each family's needs.
