# The GoTab Advantage

## DO MORE WITH LESS

Run your stadium and event with as little as 40% of typical labor.

## BOOST ORDER VOLUME

GoTab Operators increase their average order size by 25-50%

## INCREASE EFFICIENCY

With GoTab's KDS logic, operators increase food runner efficiency by 50%. Get food and beverage to the guest in a fraction of the typical time.

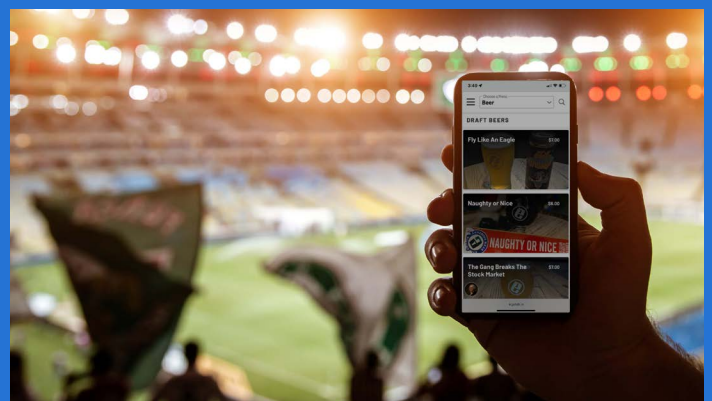

## FAST, EASY IMPLEMENTATION

No upfront costs or contracts.  
Onsite professional services; 24 x 7 Customer Support.

## GOTAB FEATURES:

- QR-based ordering from a seat
- Delivery to seat or pick-up zones with real-time communication
- 2-way text communication between KDS and Guest
