## Enhance Your Summer Success Toolkit

Research shows that children should be exposed to both print and digital reading materials simultaneously. The ability to be “bi-literate,” or switch easily from print to digital, is crucial for even our youngest readers’ brain development as we prepare them to be 21st century learners and members of our future workforce.

Our Summer Reading Backpacks enhance your students’ summer reading experience by providing tools to help them explore on the go! This exceptional print collection partners perfectly with your engaging AV2/Lightbox digital library! The joy of reading meets curriculum support on this summer journey! **Read—Grow—Go!**
