**Financial Services**

**Warehouses -193**

**14 States**

**500+  
Employees**

Complius helped GrameenKoota be ready for IPO/SEBI requirements, streamlining audits and reducing manpower to work on compliance from 246 to 36.

## Challenges

- Large number of legislations and reporting to multiple regulatory authority
- Procedure to adhere to a set of compliance framework and communication on Compliance status was not consolidated at any one place.
- Retrieving of historical data
- Lack of ownership /awareness of compliance requirements

## Quant LegalTech Solution

- Gap analysis & mapping of applicable compliances through questionnaire and interviews.
- Identification of ownership of functional staff
- Comprehensive and real time Report generation across all the department
- Separate auditor access was created

## Result

- Smoothen due diligence process and reduced time for conducting Internal Audit and reporting
- Visibility of accurate compliance status on real time basis for the CXO's
- Streamlining in tracking compliances for new or additional locations
- Helped manage the compliances while scaling its business from 500+ location to 900+ locations

"Quant LegalTech has proven to be the best in what they do, We are completely satisfied with services offered by this company"
