Employees**

Prataap Snacks used Complius to streamline compliances across the company and in the process drastically reducing cost and be investment ready for all future funding rounds

Challenges

- Low awareness & adoption of compliances
- Received notices related to Labour/ Environment- Proofs were missing
- Ramping up of factories in multiple locations
- Pre-investment series A stage

Quant LegalTech Solution

- Multiple locations site visit & mapping of applicable compliances
- SPOC assigned from OneDelta to advice / consult / support customer
- Pre-Listing Compliance Mapping for the company including industry specific regulations
- Preparation for legal Due-Diligence
 - Creation of VDR [another product offering from Quant LegalTech]
 - Instantly uploaded all Compliance proofs into VDR for due diligence

Result

- Secured Series A & B @ \$50M
- Current Compliance Adoption and Completion is greater than 95%.
- Reduction in Proof Discrepancy from 11% to less than 1%.

"The compliance report is an integral part of our legal team and we are compliant with laws more then ever"
- Prataap Snacks
