

Pocket Geek Shop Fitout

ASSURANT®

Pocket Geek

Standard

- We are required to maintain the same standard for all franchise outlets.
- We have provided are the dimensions from the last shop for you to be able to provide us with a Budget Price, to enable us to select a supplier.
- Once the agreements are in place and the premises acquired, obviously the dimensions will change, at which time you will be requested to provide a detailed quote.
- The standard fittings are listed.
- Signage to be provided by Pocket Geek

Flooring

Flooring style is intended to mimic polished or stained concrete ranging in shades from grey to grey-brown. The flooring should be neutral in colour, minimal in texture or pattern, and should not distract from the overall storebuild. Please see options below.

OPTIONS

1. Commercial Option - Please see next page
2. Polished or Stained Concrete
3. Flooring of your choice that meets the outlined criteria

****Any deviations from option #1 are required to be reviewed and approved by Pocket Geek Corporate. The use of unapproved flooring is NOT permitted. Franchisee owners are responsible for ensuring a professional installation, regardless of which flooring option is selected****
