## APRIL 2020

---

## Your Brief Trade Update

---

### Updated Message for PG NSG EE Program Partners

Dear Residential HVAC Trade Allies,

When possible, please submit photos of installations with your [Residential rebate applications](#).

Photos should include:

- Equipment being replaced
- New equipment data plate
- New Equipment installed

Program staff will not be conducting in-person verifications on installations at this time, but we do reserve the right to perform phone verifications and inspections at a later date.

Please reach out to me with any questions.
