When you refer a venue to
ServedUp

Refer a venue Individual rewards Huge rewards on offer

Refer a venue you know

No limit to the number of venues you can refer!

Everyone can participate and refer a venue to us that could benefit from our service.

If you have any contacts at venues who are not yet using ServedUp then go ahead and complete the Refer a Venue form!

Get Individually Rewarded

The reward is for you, the individual,
not your employer

The person who completes the referral form will get **financially rewarded directly and personally**. This is a very powerful incentive for you to refer a venue to us...

Huge Rewards Now On Offer

The reward amount is drastically increased

We used to offer a flat £150 but now the **value of the reward depends on the value of orders processed** within the first month of the referred venue going live. This means that if you refer a Tier 1 venue then the reward will be **£1000!**

Reward Tiers

After a referred venue goes live - we will monitor the **value of orders processed within their first month**. This amount will determine your reward.

Requirements

There are 2 simple requirements for our venue referral scheme. For more details please see our [referral landing page](#).

Complete the form

We have to have a “paper trail” – and if you are referring a venue you must complete the Refer a Venue form.

New venues only

If the venue being referred has already had a sales demo then understandably we cannot accept the referral. Should this happen we will contact you and then hopefully you can refer another venue!
