

The digital transformation of small business insurance is here.

Change the way you think about commercial insurance.

Today, most insurance policies being sold to small businesses are complicated, time consuming, expensive, and contain coverages that are simply not needed.

That's why we built Coterie from the ground-up with small businesses, and their agents, in mind.

Instantly Quote & Issue Policies.

We help simplify your operations, enabling you to better serve small business clients with higher profits. Coterie offers unique Business Owners Policies, General Liability and Professional Liability insurance products in all 50 states and is backed by our A-(Excellent) rated insurance carrier partners – Spinnaker Insurance Company, Benchmark Insurance Company and Clear Spring Insurance.

At Coterie, we have a broad underwriting appetite and believe in coverage for all!

Here's what you can expect when working with Coterie Insurance:

- Instantly quote & issue policies or renewals
- Immediate access to policy documents & insurance certificates
- Lines of business available: BOP, GL & PL
- Real-time digital underwriting
- Access the SimplyBind Experience, a new prefill quoting experience on our Dashboard
- Integration with your Agency Management System through our partnership with IVANS Commercial Lines Download
- Professional claims handling
- World-class customer support
