DIGITAL BILLING EXPERIENCE

Your billing statements are going **green!**

Our patient billing is going digital to:

Increase convenience
for you

Reduce
paper waste

Provide personalized
email and text messages

What to Expect:

- We are now delivering communications via email, text or mail.
- You will always be able to control how you are receiving these and can change your preferences at any time.

Why we're doing this:

- To make the payment process easier for you.
- With digital communications, it is easier and faster to view and pay any statement.
- To help the environment - we want to minimize paper waste sent to patients that would prefer digital communications.
- To give you a more individualized experience. We know that no two patients are the same, so you should be communicated with the ways that work best for you.
