

Microsoft Dynamics CRM Lead Support Developer

Location: Naas, Co. Kildare

Company Profile:

OpenSky a European challenger brand to the large global software consultancies, delivering innovation across Government, Transport, Environment sectors in the UK and Ireland.

Due to business growth, OpenSky has a new role for an experienced Microsoft Dynamics CRM Lead Support Developer in its Naas, Co Kildare office within the Enterprise Support Services Division. You'll form part of a high-performance team, working together to deliver projects of national and international importance changing the way large Business and Governments work.

Why Join our Team:

OpenSky is a dynamic, exciting place to work. We hire exceptional people, and every one of them is empowered to think independently, take initiative and be innovative in their job. We are committed to ensuring that our performance and reward strategies are designed to effectively support our employees at every opportunity and offers an excellent work-life balance.

At OpenSky our employees enjoy the creative, agile and meaningful work they do, the resources and technology they have access to and the benefits we offer. The projects we work on make a real difference, and that's what makes us distinct in our industry. This very factor means that our employees get to work with the latest and emerging technologies.

We've built a truly unique culture here at OpenSky, where our employees are always learning, challenged with interesting projects and rewarded with fantastic benefits. We attract talented individuals from a wide range of cultural, geographic and educational backgrounds whom bring with them a rich variety of skills and experiences.

Our plan is simple; we hire the best people whom possess the skills, talent, expertise, experience and motivation that we require and when we find them, we help them grow, develop and achieve their goals.

The values we share help us to thrive and succeed, both as individuals and as a team. If you share those values, you'll fit right in!
