*15% Off promotion is an introductory offer for R&G Brenner (RGB) new clients only. A "new client" is an individual or married couple that has never previously used RGB's services. Promotion reduces RGB quoted fee by 15% when entered either into RGB's systems by an RGB associate, or by "new client" via RGB's digital payment portal. RGB uses form billing to determine "new client" fee. The total number of forms including state returns, schedules, non-resident tax returns, tax credit forms etc. will ultimately determine your final fee. Minimum fee after discount is \$178. Restrictions apply. 15% Off Promotion cannot be combined with any other RGB promotion and may not be redeemed if "new client" elects to file tax return as a Refund Transfer (RT) Bank Product Limited time offer; promotion expires 3/31/21.
