

#1 most requested feature Secured Access

Provide access to the information families and staff need, when they need it - right from your branded app.

Why use Secured Access?

Streamline your communication with Secured Access:

- **Avoid overwhelming staff, students, and parents** Target content to specific roles only.
- **Build a close-knit school community** Safely share important news, photos, and updates about students.
- **Reach exactly who you need** Teachers and admin can target notifications to one or more user roles.

Experience the benefits of

- 1 Single-Sign-On Options
- 2 Customized User Permissions
- 3 Secure Log-in
- 4 Role-Based Content
