## REPAY Vault

The REPAY vault is seamlessly integrated within Sage X3, allowing you to store customer payment credentials off of your own server for future use. Our vault is PCI compliant with multiple reporting tools for reconciliation. Use our tokenized protection and encryption tools to further enhance your security.

## Level 3 B2B Rates

Level 3 processing allows you to receive discounted rates on Visa<sup>®</sup> and Mastercard<sup>®</sup> B2B transactions. Level 3 use lower interchange rates than Level 1 and Level 2. The REPAY Sage X3 integration automatically sends the required data to ensure maximum cost savings for B2B transactions.

## REPAY<sup>®</sup> ClickToPay

## ClickToPay

ClickToPay is an integrated online payment portal that offers a simple and secure way to have invoices paid directly from Sage X3. Simply send a copy of the invoice or sales order via email. The customer opens the email and selects their preferred payment method - either credit card or ACH. Customers can create a profile and save card or bank account information for future payments.
