

Realtime Electronic Payments

Integrated Payment Solutions for **Accounts Receivable Management**

••• **Omni-channel technology from REPAY improves collections, increases efficiency and enhances customer relations.**

Backed by a team of experts and years of experience in the Accounts Receivable Management (ARM) industry, REPAY offers modern payment solutions that integrate seamlessly into the ARM ecosystem.

Our technology is customizable to meet your unique needs whether you are an in-house collections team, a third party collector or a debt buyer. Now you can support 24/7/365 customer payments from wherever they are, using the system you already use every day.

Convenient Payment Types

- ACH
- Credit Card
- Debit Card
- Digital Wallets

Modern Payment Channels

- Agent-Assisted
- IVR
- Text
- Web

Straightforward Customer Payments

Offering omni-channel payment capabilities simplifies what can typically be a challenging customer experience.

Customers can pay anytime and from anywhere, using their preferred payment method without requiring extra resources.

When it's easier to pay, you're more likely to **get paid on time!**
