

# Integrated Payment Solutions for Lenders

## Modern payment technology from REPAY helps you collect more payments.

Integrated directly to the CBS and CAMS-ii core system you already use, REPAY's payment tools support anytime, anywhere payments, against any loan type, including mortgages, auto loans, and home equity lines of credit.

As experts in lending, we understand what it takes to run your business. Our solutions are customizable to meet your unique needs, simplifying the way your members pay and streamlining your day-to-day operations.

## Omni-Channel Payment Capabilities

When it's easier for your members to pay, you can increase on-time payments and the number of payments made. Using debit cards or ACH, payments can be made through any of our convenient payment methods.

## Intelligent Technology

- Realtime reporting
- Recurring and one-time payment capabilities
- PCI-compliant for data protection
- Always available support

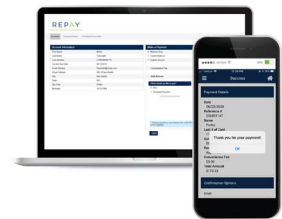

## Invaluable Benefits

- Collect more payments
- Speed up cash flow
- Increase member satisfaction
- Streamline your workflow
- Improve efficiency
- Reduce manual effort by staff

## Better Member Management

Members can pay you 24/7/365 from wherever they are, using the method they most prefer.

And every payment automatically posts back to the core system for simplified reconciliation and valuable insight into member payment behaviors. It's never been easier to track missed or late payments!

## Less Work for Lenders

Centralizing payment management within your core system means you don't have to learn a new system to start accepting payments.
