

Faster Funding For Members

REPAY Removes Funding Delays

Avoid long clearing times associated with checks and ACH. Fund member loans faster than ever with our payment-disbursement technology, Instant Funding.

Instant Funding enables members to start using their loan funds without a wait.

We leverage the global Visa[®] and Mastercard[®] distribution networks to fund loans simply and speedily, improving member satisfaction and increasing repeat business.

Increase member satisfaction

Expedite member funding

Streamline disbursements

Simplify reconciliation

24/7 customer service

46% of consumers would opt to receive instant disbursements

REPAY[®]

Realtime Electronic Payments

“REPAY’s Instant Funding solution has had an incredibly positive impact on our business ... We can now operate more efficiently and effectively, improve our cash flow, and delight our customers, all with the help of the innovative solutions from REPAY.”

Rob Robinson, CEO

Walters Management Co.
Instant Funding User

Simple and Safe

When members store cards in the REPAY vault, future disbursements happen even faster without requiring the member to be present. Our PCI-compliant platform:

- Automatically validates, tokenizes and securely stores card data
- Immediately pushes funds directly to eligible debit cards and prepaid cards
- Mitigates fraud with transaction limits

**REPAY clients using Instant Funding
reported an increase in repeat
business of up to 25%**
