

BOTOX MIGRAINE

Post-Treatment Instructions

- Stay upright for 4 hours
- Avoid touching the area for 4 hours
- It is typical to experience tenderness, slight swelling and redness in the injected areas

Please remember Botox migraine treatment is meant to decrease migraine headaches or lessen the severity. You may still get breakthrough migraine headaches.

Please contact True Balance if you have any questions or concerns following your treatment - we are always happy to help!

Thank you for choosing True Balance Medical Spa. To provide our guests with the best experience possible, we kindly request that a minimum 24 hours' notice is provided if unable to make an appointment; cancellation or no-show fees may apply. We look forward to seeing you soon!
