

INTRAORAL

Post-Treatment Instructions

- You may experience some redness or swelling to the treated area which will diminish after a few hours.
- Cold packs can be applied after treatment to minimize redness.
- Tightness and fullness will appear after swelling and redness goes down.
- Make up can be applied after treatment is complete.
- No down time required, you can resume your normal activities right after your treatment.
- Apply moisturizer to the treated area both day and night following treatment.

Please contact True Balance if you have any questions or concerns following your treatment - we are always happy to help!

Thank you for choosing True Balance Medical Spa. To provide our guests with the best experience possible, we kindly request that a minimum 24 hours' notice is provided if unable to make an appointment; cancellation or no-show fees may apply. We look forward to seeing you soon!
