

Jonas Bordo

The Renting Advocate
CEO & Co-Founder, Dwellsy

About

Jonas is here to help you navigate the complex world of renting a home or apartment and build a foundation for financial health. Jonas draws on his experience as a renter, a landlord to more than 100,000 people and as the CEO and Co-Founder of Dwellsy to bring pragmatic, new and secret insights to renters and landlords everywhere.

- ✔ More than 20 years experience in real estate
- ✔ Talks to renters and landlords every day
- ✔ Has insights from the largest inventory of rentals

A compelling speaker who will help your listeners navigate the complex and painful process of renting their next apartment. Whether it's their first time or they're experienced renters, Jonas has insights that they can use.

About Dwellsy

The largest rentals marketplace

You shouldn't have to search a jillion sites to find the right place for you. 10 million rentals (and counting!) are on Dwellsy.

A platform actually built for renters

Renters are Dwellsy's customer - not the product!

Awesome rental search tools

The only true organic search of rentals, verified listings, fair housing scanning and more--all designed to empower renters and landlords and make residential rentals work for everyone.
