3-1/4in x 3ft Soil Auger Kit with 5/8in Threaded Connections

The AMS 3-1/4in x 3ft Soil Auger Kit is a complete, compact setup for augering to depths of 12ft. The kit includes one 3-1/4in regular and one 3-1/4in mud auger, four 3ft extensions, an 18in rubber-coated cross handle, and a flexible, poly-canvas carrying case (green) for easy transport and storage. All items in the kit feature AMS 5/8in threaded connections.

#209.71
